

## LP 2 CD USB TURNTABLE WITH DIRECT-TO-CD RECORDING

Burn a CD or MP3 from  
your records.

### 3 EASY STEPS!

1. Play your records and click RECORD in EZ Vinyl Converter 2 to begin recording.
2. Click the NEW TRACK button at the end of each track. When finished, songs go straight into iTunes!
3. Use iTunes to create playlists, organize your music, listen to your songs on the computer or transfer to your iPod.

#### FEATURES

- Integrated CD burner records directly from vinyl (no computer required)
- Works great stand-alone or with a computer
- USB interface to record your vinyl to your computer
- EZ Vinyl Converter 2 software (PC) and EZ Audio Converter (Mac) for hassle-free recording
- Sound recording/editing software to remove noise, clicks, pops from your recordings
- Mac and PC compatible

#### SPECIFICATIONS

- Belt-drive turntable with premium tonearm and cartridge
- 33 1/3, 45 and 78 RPM
- Built-in audio CD-burner records directly from turntable
- Onboard track split feature
- Records to Audio CD, CD-R or CD-RW
- USB audio interface (44.1kHz, 16-bit), Mac and PC compatible

### THE FASTEST AND EASIEST WAY TO CONVERT YOUR OLD VINYL RECORDINGS DIRECTLY TO CD

Now you can listen to your favorite music collections in the car, on your computer, or anywhere with a standard CD player. Converting your records is a snap with LP 2 CD.

Simply Plug in LP 2 CD, place your record on the turntable, insert a blank CD. Play your vinyl, hit the record button and let LP2CD do the rest!

LP 2 CD includes *EZ Vinyl Converter 2* (PC) and *EZ Audio Converter* (Mac); the simplest way to record and convert vinyl directly to iTunes.

*EZVC 2* features Gracenote® MusicID technology, which analyzes your vinyl and automatically retrieves album, artist and song information for you! *EZAC* lets you easily enter track information. You can now digitally archive your collection in just a few mouse clicks.

It's like magic! Before you know it, you'll be listening to songs you haven't heard in years in iTunes or on your iPod.

Finally your record collection can go wherever you go.
