

FENDER® PASSPORT® DELUXE PD-150 PLUS

Portable Sound System

Following in the footsteps of the PD-250, the PD-150 PLUS is a smaller and more portable version with a built-in CD-player. The PD-150 PLUS features a four channel mixer, 150-Watt stereo amp and a specialized DSA speaker design. Weighing just 33 lbs., the PD-150 PLUS is excellent for small presentations, school, church programs and aerobics.

The Passport PD-150 PLUS is perfect for use in:

- Groups up to 300 people in size
- Corporate presentations
- Health and fitness classes
- Mobile DJ's
- Schools
- Sporting events

The Passport PD-150 PLUS has the following features:

- Black luggage-style molded case that protects the product during transportation from physical damage and the elements
- Built-in CD-Player
- Four-channel mixer: two mic/line, one stereo, one CD-player
- 150 Watts (75 per channel) stereo Class-D technology
- Digital reverb
- Proprietary DSA speaker design featuring one 5.5" woofer and dual arrayed 2.75" tweeters per speaker enclosure
- One P-51 microphone (with mic clips, cables and carry pouches)
- Two 20" speaker cables
- Compatible with Passport wireless accessories
- 33 lbs.
