GRETSCH®

ELECTROMATIC® G5122DC HOLLOW BODY:
SEEING DOUBLE??? NO WAY, JOSE!!! It's the DOUBLE CUTAWAY version of the CLASSIC Electromatic® G5120 hollow body. Twice the TWANG! Two times the STYLE! No matter how you see it, the NEW G5122 will steal your heart (not your wallet!) when you feel its body resonate against yours as you strum your favorite chords. Professional features include dual coil humbucking pickups, Rosewood based Adjusto-Matic™ bridge, Bigsby® Licensed B60 Vibrato Tailpiece & chrome-plated vintage-style tuners. Color options include Black & Walnut.
