**CAUTION!** Please read and understand these instructions before installing or operating this unit.

**Introduction and Operation:** The unit is ready to be hung or set on flat surface. This fixture is designed to operate as a stand alone unit. It has been tested at the factory and there is no assembly necessary. The Mini Spot LED is a small LED pin spot. Plug this fixture in and it will light right up. The unit comes equipped with 9 degree lens, with a 12 degree lens included. To change the lens, remove the fixture ring that holds the current lens in place, then remove the lens and replace with the other lens. Place the fixture ring back into its place to hold the new lens in place.

**1 Year Limited Warranty:** Eliminator Lighting warranty is valid from the date of purchase. Our 1 year limited warranty covers manufacturing defects only. Serial number, place of purchase with dated valid receipt must be submitted at time of service. Eliminator Lighting warranty does not cover items or parts prone to wear and tear: lamps, fuses, brushes and belts. Eliminator Lighting warranty is only valid with-in the United States.
