

## Michael Tobias Designs *The Kingston Z Bass*

The KZ series of basses were created for the discerning player who is looking for the clarity, feel and response usually found only in handmade, boutique-style basses. The KZ basses incorporate many of the superior design elements found on Mike Tobias' revered American series instruments - but at a truly affordable price.

### Features:

- Carved mahogany body/maple burl top
- Mike's personal design concepts
- Asymmetrical, one-piece Maple Neck
- Buzz Feiten Tuning System
- Maple, rosewood or fretless fingerboards
- MTD Quick Release Bridge
- Cherry, Tobacco Sunburst, Natural and Burl Maple
- MTD passive, wood-covered soapbar pickups
- Five controls: 1 volume, 1 pan, and 3-band EQ
- 34-inch scale 4-string; 35-inch scale 5 and 6-string
- 24 medium jumbo frets
- Available in fretless and left-handed models

### Benefits:

- Stunning looks, incredible tone
- Pro features at a great price
- Incredibly comfortable and fast
- Plays in tune everywhere
- Something for every player
- Great tone, instant string changes
- They look as good as they sound
- Professional sounds, boutique looks
- You can dial in any sound quickly
- Best scale lengths for the job
- Mike's preferred frets
- Something for everyone!
