KNOW YOUR SHAPE

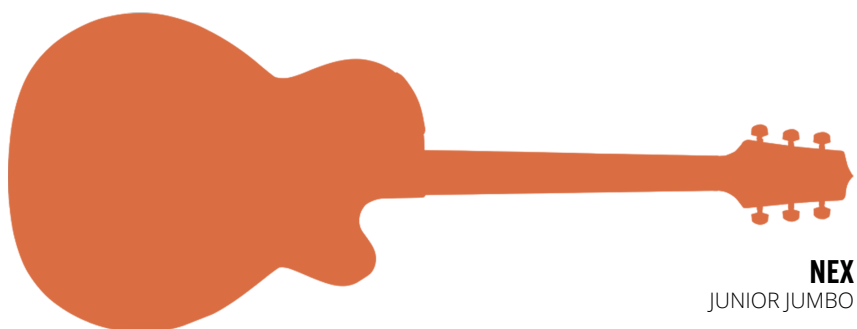

Dreadnought

The most popular body shape of the past half century, the Dreadnought delivers a strong low end with plenty of volume.

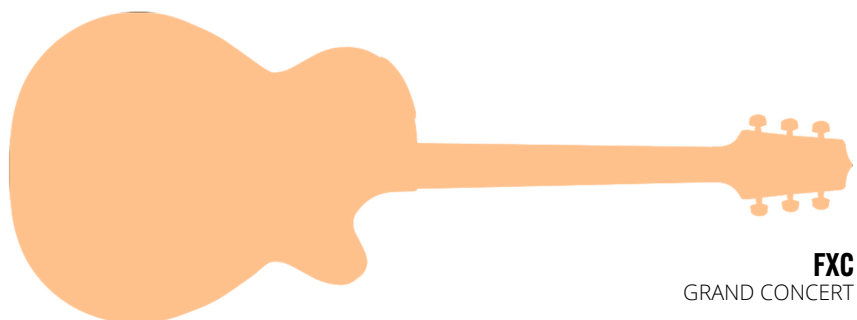

JUMBO

The Jumbo excels as a rhythm guitar - big, meaty chords, plenty of volume and outstanding balance.

NEX
JUNIOR JUMBO

This original Takamine body is a scaled-down Jumbo at heart. The NEX has a silky balance to the tone that supports vocals beautifully.

FXC
GRAND CONCERT

The FXC is very close to the traditional Grand Concert proportions. Excellent feedback control with a true and warm acoustic tone.
