

CDN55

RACK-MOUNT PROFESSIONAL DUAL CD PLAYER

RELIABLE, SKIP-PROOF WORKHORSE. CDN55 is a high-performance CD player. This dual-deck unit plays traditional CDs and CD-Rs and gives you the worry-free performance of Anti-Shock™ electronic skip protection. You can create and integrate seamless loops with CDN55 for creative control. CDN55's pitch bend is easy to use on its multifunction jog wheels. You can also use the large wheels for rapid access to points within the track. CDN55 is designed for the working professional who relies on his or her CD player or needs a no-fail backup player. Get more performance with CDN55.
