K167 TIESTO

CIRCUM–AURAL CLOSED–BACK
PROFESSIONAL DJ HEADPHONES

AKG
by HARMAN

AKG by
TIËSTO

BUILT FOR THE STAGE

The K167 TIESTO targets professional DJs but also enthusiastic hobbyists. It shows an around-ear, closed-back design for high comfort and maximum noise rejection. Suitable for multiple applications, from the stage to the studio, DJs and music enthusiasts enjoy the stunning design and impressive sound quality, even in loud environments. XRP³ glass-fiber reinforced polymer parts ensure maximum durability and low weight.

The K167 TIESTO features powerful 40mm drivers enabling for high sound pressure levels. Its roadworthy design provides maximum reliability. Besides the classy design, the K167 TIËSTO delivers impressive sound quality even in loud environment as small clubs.

HIGHLIGHTS

» **Over ear(circum-aural), closed-back design for highest possible noise attenuation**
» **XRP³ glass-fiber reinforced polymer parts ensure maximum durability and low weight**
» **Powerful 40 mm driver with low resonance for high sound pressure even at very low frequencies**
» **3D-Axis professional folding mechanism - extremely flat when collapsed**
» **Roadworthy design ensures reliable operating for many years**
