

ADJ WIFLY TRANSCIEVER

Introduction:

Congratulations and thank you for purchasing the ADJ WiFly TransCeiver. The WiFly Transciever is a wireless DMX TransCeiver (Transmitter/Receiver in one) that is compatiabale with other ADJ products with WiFly. After connecting the WiFly TransCeiver to a DMX Controller you are able to send a constant and reliable wireless DMX signal up to 500 feet to other ADJ WiFly products. The wireless frequency is 2.4 GHz and will coexist in busy RF enviroments alongside technologies like Bluetooth and Wi-Fi. The ADJ WiFly TransCeiver is the ideal solution for DJ’s, nightclubs, bars or for any event where you don’t want data cables to be seen, and when it is not easy to run data cables to your fixture(s) location.

Customer Support: ADJ Products, LLC provides a toll free customer support line, to provide set up help and to answer any question should you encounter problems during your set up or initial operation. You may also visit us on the web at www.americandj.com for any comments or suggestions. *For service related issue please contact ADJ Products, LLC.* Service Hours are Monday through Friday 8:00 a.m. to 4:30 p.m. Pacific Standard Time.

Voice: (800) 322-6337
Fax: (323) 582-2941
E-mail: support@adj.com

Caution! There are no user serviceable parts inside this unit. Do not attempt any repairs yourself, doing so will void your manufactures warranty. In the unlikely event your unit may require service please contact ADJ Products, LLC customer support.

The WiFly TransCeiver carries a 1 Year (365 days) limited warranty. Please fill out the enclosed warranty card to validate your purchase. All returned service items whether under warranty or not, must be freight pre-paid and accompany a return authorization (R.A.) number. If the unit is under warranty you must provide a copy of your proof of purchase invoice. Please contact ADJ customer support for a R.A. number. For additional warranty info please visit our website.

Specifications:

 5. **3 Pin DMX Out** - Output the DMX signal.
 6. **5 Pin DMX Out** - Output the DMX signal.
 7. **Antenna** - This antenna will receive or transmit the DMX signal.
 8. **Power Supply Connection** - Connect the provided power supply to this jack.
 9. **3 Pin DMX In** - Input the DMX signal.
 10. **5 Pin DMX In** - Input the DMX signal.
-

Setting Up the WiFly:

With this feature you are able to control the fixtures with DMX without the need for XLR cables. The WiFly range is up to 500 feet (open line of sight).

NOTE: If connecting to a ADJ WiFly fixture, please also see the set up functions associated with your WiFly fixture.

1. Power on the WiFly, the red power LED indicator will light up.
2. When using the WiFly as a transmitter connect the WiFly to a DMX512 controller via XLR cable. The yellow Transmitting LED indicator will light up.
3. After the LED indicator lights up, use the dipswitches to set the WiFly channel. The channel can be set between 0-15.
4. The WiFly TransCeivers that are connected to your fixtures or the WiFly fixtures themselves must be set to the same WiFly channel. If the WiFly TransCeiver (receiver) connected to your desired fixture is set up correctly, the green receiver LED indicator will glow.

MANUFACTURER'S LIMITED WARRANTY

- A. ADJ Products, LLC hereby warrants, to the original purchaser, ADJ Products, LLC products to be free of manufacturing defects in material and workmanship for a prescribed period from the date of purchase (see specific warranty period on reverse). This warranty shall be valid only if the product is purchased within the United States of America, including possessions and territories. It is the owner's responsibility to establish the date and place of purchase by acceptable evidence, at the time service is sought.
- B. **For warranty service you must obtain a Return Authorization number (RA#) before sending back the product—please contact ADJ Products, LLC Service Department at 800-322-6337.** Send the product only to the ADJ Products, LLC factory. All shipping charges must be pre-paid. If the requested repairs or service (including parts replacement) are within the terms of this warranty, ADJ Products, LLC will pay return shipping charges only to a designated point within the United States. If the entire instrument is sent, it must be shipped in its original package. No accessories should be shipped with the product. If any accessories are shipped with the product, ADJ Products, LLC shall have no liability whatsoever for loss of or damage to any such accessories, nor for the safe return thereof.
- C. This warranty is void if the serial number has been altered or removed; if the product is modified in any manner which ADJ Products, LLC concludes, after inspection, affects the reliability of the product; if the product has been repaired or serviced by anyone other than the ADJ Products, LLC factory unless prior written authorization was issued to purchaser by ADJ Products, LLC; if the product is damaged because not properly maintained as set forth in the instruction manual.
- D. This is not a service contract, and this warranty does not include maintenance, cleaning or periodic check up. During the period specified above, ADJ Products, LLC will replace defective parts at its expense with new or refurbished parts, and will absorb all expenses for warranty service and repair labor by reason of defects in material or workmanship. The sole responsibility of ADJ Products, LLC under this warranty shall be limited to the repair of the product, or replacement thereof, including parts, at the sole discretion of ADJ Products, LLC. All products covered by this warranty were manufactured after August 15, 2012, and bear indentifying marks to that effect.
- E. ADJ Products, LLC reserves the right to make changes in design and/or improvements upon its products without any obligation to include these changes in any products theretofore manufactured.

No warranty, whether expressed or implied, is given or made with respect to any accessory supplied with products described above. Except to the extent prohibited by applicable law, all implied warranties made by ADJ Products, LLC in connection with this product, including warranties of merchantability or fitness, are limited in duration to the warranty period set forth above. And no warranties, whether expressed or implied, including warranties of merchantability or fitness, shall apply to this product after said period has expired. The consumer's and/or Dealer's sole remedy shall be such repair or replacement as is expressly provided above; and under no circumstances shall ADJ Products, LLC be liable for any loss or damage, direct or consequential, arising out of the use of, or inability to use, this product.

This warranty is the only written warranty applicable to ADJ Products, LLC Products and supersedes all prior warranties and written descriptions of warranty terms and conditions heretofore published. This warranty was revised after December 1, 2012.

MANUFACTURER'S LIMITED WARRANTY PERIODS:

- **Lighting Products = 1-year (365 days) Limited Warranty** (Such as: Special Effect Lighting, Intelligent Lighting, UV lighting, Strobes, Fog Machines, Bubble Machines, Mirror Balls, Par Cans, Trussing, Lighting Stands etc. excluding LED and lamps)
- **Laser Products = 90-Day Limited Warranty**
- **L.E.D. Products = 3-year (1095 days) Limited Warranty** (excluding motors, PCB boards, and power supplies, which have a 1-year (365 day Limited Warranty) and batteries which have a 180 day limited warranty). Only the L.E.D.s carry a 3-year warranty
